Home Beauty Care is Now in Trend!

"Ouchi Biyou" (= Home Beauty Care) is now in trend under COVID-19. Japanese people are more invested in their home beauty care (Skin care, Body care, nail, etc.) since they spend more time at home. Now is the best time to expand your products in Japan, since the use of personal care is rising.

CABANEE ENTERPRISES (Canada)

Exhibited products : Organic Skin Care

- For business expansion in Japan, COSME OSAKA/COSME TOKYO is **highly recommended for international companies.**
- Around **200 professionals visited our booth**, and had great meetings with them such as one of the biggest department stores.

J-LAB (Korea)

Exhibited products : Skincare & Face masks

- We got around **300 business cards and 30 on-site meetings with various retailers.**
- Many of them will **lead to actual business partnerships**, and we're expecting even more.

Patom Organic Living (Thailand)

Exhibited products : Hair & Body Care

- We exhibited at the show to meet distributors since we see **potential in the Japanese market.**
- It's been great because we could **meet well known brands such as Alibaba and Amazon Japan.**
