

Energy Transition Theatre Sponsor

5 Packages available

What are the Benefits?

Energy transition will be integrated into all aspects of the event from the opening plenary through multiple strands of the conference programme and exhibitor content. The Energy Transition Theatre welcomes 3 days of thought leadership in a premium location in Hall 3. Aligned with the key themes of the 2023 event, this is sure to be one of the not-to-miss locations during OE23.

What is included?

- Thought Leadership package - 30 min presentation on each day - Tues-Wed-Thurs plus full branding

Price:

- Thought Leadership package - £12,999

2019 sponsors included

Energy Transition Zone Sponsor

What are the Benefits?

The Energy Transition Zone welcomes operators, service and technology companies preparing the oil and gas sector for a lower-carbon future. Located on the exhibition floor, this zone is for the technologies and innovations that will guide us through the energy transition. Aligned with the key themes of the 2021 event, this is sure to be one of the not-to-miss locations during OE23.

What is included?

- Branding on all pre-event promotional materials - visitor information leaflets, show preview, event catalogue, show website, emails, social media, PR
- Branding onsite at the venue and inside the zone including You Are here navigation boards
- 1 speaker slot with 30 min presentation at the ET Theatre

Price:

- Thought Leadership package (branding + speaker slot) - £30,000
- The Brand Awareness package (branding only) - £20,000
