CONFERENCE & EXHIBITION

# Hydrogen Hub

Organised by

# Hydrogen Hub

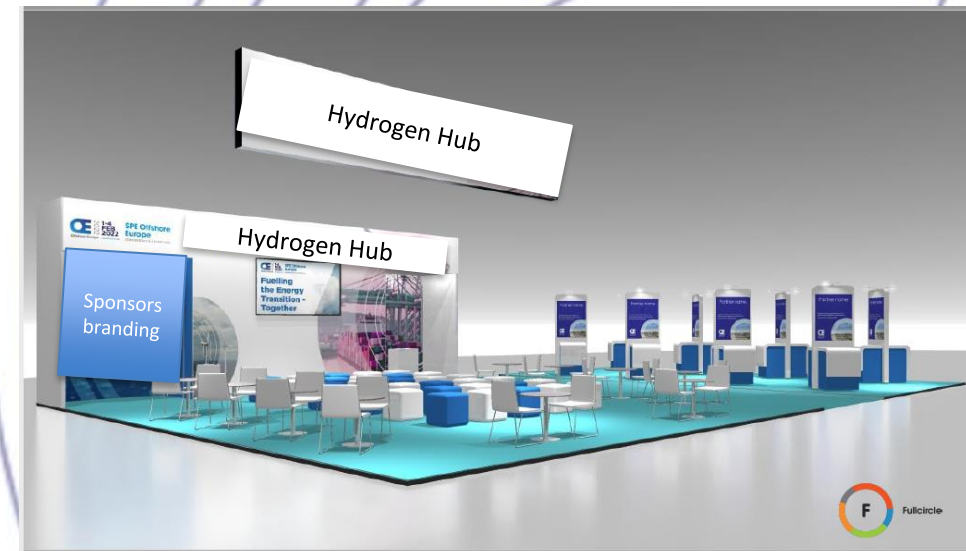

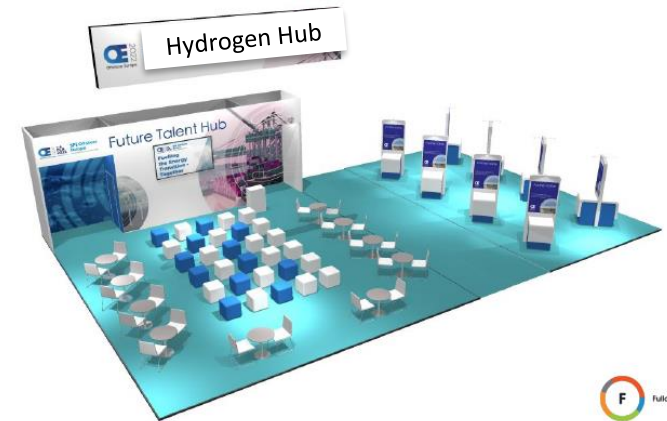

## What are the Benefits?

The Hydrogen Hub will be located in the Hall 1 showcasing real-life hydrogen technology from electrolysers & fuel cells to refuelling technology, hydrogen-powered vehicles and more.

## What is included?

- Branding on all pre-event promotional materials - show preview, event catalogue, show website, emails, social media, PR
- Onsite branding: directional signage
- Onsite hub and theatre branding: Sponsors logo and branding to be added to theatre backdrop banner
- Speaking opportunity within the theatre programme coordinated by the **The Scottish Hydrogen and Fuel Cell Association**
- Possibility to distribute printed collateral within the hub area as well as branding towers (adding QR codes to tower branding)

£5,500
