

Design Collective 5'x10', 10'x10' and 10'x20' Exhibitor Booth Packages

2023

JCK

You are an exhibitor in the Design Collective neighborhood at JCK. There are no custom booths permitted in Design Collective neighborhood and you will need to use the Design Collective booth provided by Freeman. If you wish to add any images or upgrades they will be subject to approval by JCK show management.

*walls can be drawn on with chalk for a chalkboard effect
