GENERAL RULES OF MAISON&OBJET NEW & NOW

Exhibitor admissions procedure (Document to be kept)

GENERAL PROVISIONS

Article 1 – General

The exhibitor acknowledges the organiser's role as overall coordinator of the show with respect to its participants (exhibitors, visitors, etc.) and other associates (public authorities, service providers, etc.).

The terms and conditions of organisation of the show, notably the dates the show will be held, the opening and closing times of the show, the venue where the show is held, and the visitors authorised to attend are determined by SAFI, hereinafter "the organiser" and may be unilaterally modified by it.

The exhibitor acknowledges that the organiser must be able to adapt the show as circumstances dictate.

Should the organiser be obliged to cancel or postpone the show if he observes an insufficient amount of registrations and unless this cancellation or this postponement is the result of circumstances laid down in the paragraph below, the exhibitor will be reimbursed the amounts paid to the organiser.

The exhibitor declares to be aware of the possibility of a cancellation or postponement and in all cases accepts all risks relating to the possibility of the show not being held and particularly exclusive liability for the costs it incurs in preparation for the show.

If the organiser observes that the show cannot take place within the conditions foreseen owing to exceptional circumstances, whether or not these constitute a case of force majeure as per article 1218 of the French Civil Code and, in particular, whether or not these are entirely unpredictable (such as fire, flood, storm, destruction or unavailability of the venue(s) or location(s) where the show is to be held, accident, incidental case, strike action at the local or national level, riots, risk of safety, terrorist threat, administrative ban or closure, health situation, potential consequences of the Covid-19 epidemic, cancellation of the participation of a significant proportion of the exhibitors, restriction of movements of exhibitors or visitors, etc.), the organiser may notify the cancellation of the show. In this case, the application forms will be cancelled and any amounts paid to the organiser that are still available after the external costs incurred by the organiser as at the date of notification of the cancellation, will be divided among the exhibitors, on a pro-rata basis according to the amounts paid by each of them.

This paragraph applies notwithstanding article 1218 of the French Civil Code, which it expressly derogates from as necessary.

As a result of the terms provided above, in the event of modification, postponement, or cancellation of the show, the Parties agree that there shall be no recourse to application of the legal provisions relative to breach of contract (articles 1219 and 1220 of the French Civil Code).

The exhibitor entrusts to the organiser the task of assessing whether the show must be suspended or evacuated in the event of a threat to visitors' safety and agrees to not subsequently lodge a complaint as a result.

The exhibitor shall undertake to respect and shall ensure that are respected, the instructions contained in the Exhibitor Services Manual which shall be transmitted to him or shall be available for consultation on the internet and/or exhibitor extranet.

The exhibitor is responsible to the organiser for non-observance of the schedule of conditions («le cahier des charges») established by the owner or the tenant of the site placed at the disposal of the Exhibition organiser.

The organiser is not liable for any consequences arising from the enforcement of the provisions of these general regulations.

Article 2 - Special Services

The "Ateliers d'Art de France", as part of its mission as sponsor of the MAISON&OBJET show, focuses its activities on maintaining development and the qualitative aspects of the areas which it represents (arts & crafts, decoration, giftware, tableware).

As an exhibitor, you can take advantage of the member services for the duration of one year, provided you have submitted a duly completed membership file.

PARTICIPATION

Article 3 - Category listing of the show

The organiser defines the exhibitor categories and draws up the category listing of products and/or services presented.

This category list is at all times available to exhibitors and applicants at the head office of SAFI, 8 rue Chaptal 75009 Paris. It is featured in the catalogue and category list registration form.

Article 4 - Conditions for participation

4.1. An exhibitor may only present goods or services manufactured or designed by it or for which it is the representative or dealer; in the latter case, it appends to its attendance request the list of brands whose products or services it proposes to promote.

The organiser may, after examination, exclude products and/or services that it deems do not meet the aim of the show or include products and/or services not included on its list but that are of interest for the show.

Sales including immediate on-site delivery to the buyer are prohibited.

In accordance with the provisions relating to trade events, an exhibitor may neither present products that do not comply with French regulations, except products intended for foreign markets, nor carry out any misleading or abusive advertising.

The offer presented by exhibitors must comply with public policy and current laws. Accordingly, exhibitors are formally prohibited from exhibiting illegal products or products from illegal activities. It is also prohibited for any persons not authorised by law to propose services or products from regulated activities. Legal action may be brought against exhibitors who breach these provisions without prejudice to any measures taken by the organiser in order to end this breach.

Exhibitors accept full liability for their products and actions in relation to third parties: the organiser cannot, under any circumstances, be held liable. In case of request made by a third party against the organizer concerning an act or product of an exhibitor, the exhibitor shall indemnify the organizer for all costs reasonably incurred by the organizer for his defense and possible court ruling he may incur.

4.2. Surveillance of equipment - Liability

Artworks and all of the elements and equipment brought to its stand throughout the fair shall remain the exhibitor's sole responsibility and risk 24 hours a day, 7 days a week, during transport to and from the venue (stand included), handling, installation, and dismantling included. Under no circumstances shall the organiser be held liable concerning any of these elements.

The exhibitor expressly accepts sole responsibility for all of the risks that the above-mentioned elements and equipment may be exposed to. While respecting the security regulations, (s)he must take all measures likely to protect the artworks

GENERAL RULES OF MAISON&OBJET

and equipment against said risks; under no circumstances shall these measures be incumbent to the organiser. It is notably the exhibitor's role to decide the conditions of surveillance of said artworks and equipment (safe, secure glass case, assigning of its own guards at the stand, etc.).

Insofar as necessary, all of the above shall apply through express exemption from any conflicting legal provision(s).

Article 5 – Applications form

5.1 Any person wishing to exhibit must present an application form to the organiser. Unless selection committee does not accept the application, the submission thereof shall be a binding and commitment to pay the totality of the cost of the provision of the coordination services and related costs, including in case of modifications by the organizer of the area and / or sector and the characteristics of the exhibition space solicited.

The selection committee decides on the applications without having to justify its decision.

5.2 Applications form online:

Any person that wishes to exhibit must submit an application form. Unless the selection committee refuses the application, the registration of this application form constitutes a firm and irrevocable commitment to pay the totality of the cost of the provision of the coordination services and related costs, including in case of modifications by the organizer of the area and / or sector and the characteristics of the exhibition space solicited.

The selection committee decides on the applications without having to justify its decision.

Once the application form has been submitted on line, the exhibitor must ensure that the user name and password (or encrypted URL where applicable) that was communicated by the organiser are in fact used by a representative of the exhibitor who is duly authorised to engage the exhibitor's liability. The user name and password (or encrypted URL where applicable) are strictly personal and cannot therefore be shared with any third parties. The exhibitor must ensure that it is kept safe and confidential. Any submission of an application undertaken by means of the user name and password (or encrypted URL where applicable) shall be deemed to have been made by a duly authorised representative of the exhibitor. By express agreement between the Parties, it is agreed that the use of the username and password (or encrypted URL where applicable) by the exhibitor for the online submission of an application form equates to the exhibitor's signature as defined by the provisions of section 1316-4 of the French Civil Code and hence acceptance of the provisions of said application form, which includes the provisions of the present general regulations. By express agreement between the Parties, it is agreed that this signature is to be conclusively deemed reliable.

Article 6 - Control of admissions

The selection committee is not obliged to justify his decisions concerning applications.

In the event that participation is refused, any sums paid by the party having presented an application of participation will be repaid, after deduction of administrative expenses incurred by the organiser and which remain due to him. The same provision applies to a party having presented an application of participation placed on the waiting list, to whom an exhibition space cannot be allocated for lack of available space when the Exhibition opens.

Acceptance of the application is certified by an unequivocal reply from the organiser to the exhibitor. This reply may consist of an invoice addressed to

the exhibitor. However, under no circumstances may it be an automatic email reply addressed to the exhibitor following an online submission.

Despite initial acceptance by the organiser and even after allocation of an exhibition space, the organiser is allowed, without restriction, to cancel an application of participation from an exhibitor whose affairs are, for whatever reason, administered by, or with the assistance of a trustee in bankruptcy.

This applies notably to any application by a company apparently in cessation of payments between the date of the application and the Exhibition opening date.

However, where a company is authorised by a court to continue its operations, the organiser may, of his will, decide to maintain the application.

Article 7 - Use of the exhibition space

Without the organiser's prior consent in writing, an exhibitor, within the framework of the organisation services he acquired, shall not transfer, sub-let or share, with or without payment, all or part of his space or services which he has within the Exhibition.

Nonetheless, several exhibitors may be authorised to make a joint presentation, on condition that each of them has obtained prior permission from the organiser and has submitted a joint attendance request.

Article 8 - Withdrawal

In the event of withdrawal or non-occupancy of the exhibition space for any reason whatsoever, or in the event of cancellation of booth equipment and various options, amounts partially or fully paid and/or outstanding, for the organisation service and incidental costs, are the property of the organiser even if another exhibitor uses the exhibition space.

Cancellation by the exhibitor of their participation shall take effect on the receipt date by SAFI of the written request by the exhibitor requesting cancellation (by email with acknowledgement of receipt or by registered letter with acknowledgement of receipt).

An exhibitor shall be deemed to have withdrawn if, for any reason whatsoever he should fail to take possession of his exhibition space 24 hours before the day on which the Exhibition is due to open. The organiser may therefore dispose of the defaulting exhibitor's exhibition space and the latter shall have no right to claim a refund or compensation, and take off any visual communication regarding the defaulting exhibitor's products.

FINANCIAL CONDITIONS

Article 9 - Price of the organisation services

The price of the organisation services is decided by the organiser and may be revised by the organiser if there is a modification to tax charges.

Article 10 - Terms of payment

Payment for the organisation services and other associated costs is to be made by the settlement dates and by methods fixed by the organiser.

For any late attendance request, the first payment is equal to the sums already payable on the attendance request date.

The same applies to exhibitors on the waiting list who are belatedly allocated an exhibition space.

Article 11 - Failure to pay

If an exhibitor should fail to pay on due dates and by the specifications stipulated in the preceding article, the organiser shall be entitled to apply the conditions contained in article 8 «Withdrawal» Moreover, any late payment shall also entail the

application of interest at the Eonia rate increased by five (5) points. This interest shall be due as of right, and shall be calculated against the aforementioned sum from the date upon which the payment should have been made until the effective date of payment.

A recovery fee of 40 euros will be automatically due to the organiser in case of any failure to pay on due dates. Such fee will be due in addition to any indemnity due to the debtor.

EXHIBITION SPACES

Article 12 - Allocation of exhibition spaces

The organiser draws up the show plan and allocates the areas freely, taking account if possible of the requests made by the exhibitor, of the type of products and/or services it presents, the layout of the exhibition space that it proposes to install as well as, if necessary, the date of registration of the attendance request.

Due to its role in coordinating or organising, the organiser may be forced to modify the size and layout of the areas requested by the exhibitor. Such modification shall not entitle the exhibitor to unilaterally terminate his engagement to participate.

An exhibitor is notified of the location of the exhibition space and as a result the visual communication allocated to him by means of a layout. This layout gives the characteristics of the exhibition space as precisely as possible. Where possible, it is the exhibitor's responsibility to verify the conformity of the layout before setting up his exhibition space.

The organiser is not liable for any difference between the characteristics given on the layout and the actual measurements of the exhibition space.

The layout shows the general layout of the other exhibition spaces surrounding the site allocated.

These indications, valid on the date the layout is drawn up, are given for information only and are liable to modifications which may not be able to be communicated to the exhibitor.

Any complaints about the position shown on the plan must be submitted within eight days of receipt of the plan by the exhibitor. Beyond this deadline, the proposed position is considered to have been accepted by the exhibitor.

The organiser cannot under any circumstances either reserve a position or guarantee the same position from year to year. Furthermore, attendance of previous events does not give the exhibitor any rights based on this previous attendance.

Article 13 - Installation and decoration of exhibition spaces

Exhibition spaces installation is in accordance with the plans drawn up by the organiser.

Exhibitors are solely responsible for the specific decoration of their own exhibition spaces. They shall comply with safety regulations issued by the public authorities and adhere to the general layout for decoration and signage drawn up by the organiser.

The organiser decides the specifications of how visual information is displayed and the conditions governing the use of all sound, light or audio-visual techniques, as well as the conditions under which all promotional activities, surveys may be carried out within the confines of the Exhibition.

In the same way, the organiser decides on the conditions in which photography or sound recording is authorised within the confines of the Exhibition. The organiser may make its permission dependent on the signing, by the attendee, of an agreement to transfer to it the rights for the promotion of the

GENERAL RULES OF MAISON&OBJET

show.

The height of the exhibition spaces must not exceed 2,50 m.

The organiser reserves the right to require that any fitting detrimental to the general appearance of the Exhibition, to neighbouring exhibitors or the public, or which does not conform to the layout and model submitted for his prior approval, shall be removed or modified. The organiser may withdraw an authorisation already given in the event of hindrance caused to neighbouring exhibitors, to circulation or to the running of the Exhibition.

Promotional announcements and recruitment, irrespective of the fashion in which they are carried out, are formally prohibited.

Prospectuses, brochures, catalogues and/or documents relating to the products and brands exhibited, may only be distributed by exhibitors on their stand. Their distribution on the event site and in its immediate surroundings is strictly prohibited.

Article 14 - Deinstallation

The organiser declines all responsibility for structures or installations built by exhibitors. Exhibitors shall accept and leave the sites as delivered, and shall be liable for any damage, in particular to venue halls and venue equipment, caused by themselves or by their installations, equipment or goods.

Exhibitors who have reserved a standard stand package must arrange the disposal of any stand equipment after the show (carpets, scotch-tapes, sand, coverings etc.).

Any damage to the Exhibition Centre properties and installations will be charged to the exhibitor concerned.

Any exhibitor who ignores the regulations of this article by causing damage will be invoiced for the restoration after the show.

ASSEMBLY / DISASSEMBLY DEADLINES

Article 15 - Assembly and disassembly of the exhibition space

The organiser sets the schedule for the assembly and disassembly of the exhibition spaces prior to the opening of the show and for the removal of products, as well as the deadlines for tidying after the show.

The exhibitor guarantees that its installer will arrive in sufficient time, prior to the disassembly deadline, in order to enable the proper return of the position in its initial condition, within the deadline set by the organiser.

The organiser may have carried out, at the exhibitor's expense and risk, work that has not been carried out by the exhibitor within the deadlines set and without being held liable for total or partial damage or losses, which the exhibitor unreservedly accepts.

In the event of non-disassembly of the stand by the exhibitor within the given deadlines, the organiser shall be entitled to destroy the stand without being held liable to the exhibitor for the value for the goods and components of the stand that are destroyed.

Furthermore, failure by an exhibitor to meet the booth occupancy deadline authorises the organiser to claim the payment of late-occupancy penalties and damages.

Article 16 - Specific authorisations

Any installation of machines, equipment or structures which cannot be carried out without using exhibitor space allocated to another exhibitor

may only be done with the authorisation of the organiser and on the date fixed by him.

Article 17 - Goods

Each exhibitor personally provides for the transport and receipt of goods delivered to it. It must follow the organiser's instructions regarding goods delivery and pick-up regulations, particularly regarding movement of vehicles and service providers on the show premises.

Products and equipment installed on the show premises cannot, on any grounds whatsoever, be removed during the show.

19.2. Exhibitor's public liability insurance

The exhibitor must take out an insurance policy covering the financial consequences of its public liability as exhibitor and, particularly, liability it is likely to incur to any third parties including the companies that own and manage the premises on which the show is held, during the entire show (including assembly and disassembly). This insurance must be taken out with a company well known to be solvent and cover the exhibitor for sufficient amounts.

The exhibitor agrees to send a copy of this policy to the organiser upon first request therefrom.

Article 20 - Exhibitor's comprehensive Insurance

Exhibitors must be insured via the organiser against risks to the items presented.

This comprehensive Insurance coverage casual loss or damage to goods belonging to an exhibitor or of which he has charge. The coverage shall take effect from the moment said items are deposited at the exhibition space of the exhibitor.
