ALUMINIUM 2024 – SHORT OVERVIEW

AL Aluminium
Sharing a vision.
ALUMINIUM 2026

With **20,904 VISITORS** along the aluminium sector and its application industries from **100 COUNTRIES**, ALUMINIUM 2024 in Düsseldorf exceeded expectations.

789 EXHIBITORS from **54 COUNTRIES** demonstrated the potential of the material and the whole industry.

As the **WORLD'S LEADING TRADE FAIR** for the whole sector, the event provides a holistic platform and thus the settings not only for product presentations and networking but for the dialogue the industry needs to discuss its topics and challenges: From **TRENDS** and **SOLUTIONS** over **SUSTAINABILITY** and circular economy to transformation and **TECHNOLOGIES**.
