What is MIPIM?

MIPIM influences and accelerates the transformation of the built environment by crafting a unique, week-long urban festival in Cannes.

Here, face-to-face discussions, workshops and panels offer inspiration and thought-leadership, while creating opportunities to exchange experiences and drive business and professional growth.

As a reference point for the global real estate industry, MIPIM provides unique access to global capital and concrete solutions for making assets more sustainable and resilient in a rapidly changing world.

MIPIM Challengers

Giving young voices a platform

The MIPIM Challengers initiative creates space for the next generation of real estate professionals, sharing their commitment to a sustainable urban environment, while promoting the values of diversity and inclusion.

16 professionals under 30 will be selected, to fully participate in MIPIM in Cannes, with free entry and dedicated sessions to platform their views and network with the real estate community.

By empowering young people and giving them a voice to influence decision-makers and industry leaders, we advocate for youth, growth and equitable change.
