RAW SPACE

TRACING YOUR SURFACE ON THE GROUND	Standard		
1 ELECTRICAL BOX	The Organizer supplies 1 electrical box of 3.5kW for stands between 9 sqm and 15 sqm and 1 box of 7Kw for stands larger than 15 sqm. Cables are routed through the ceiling into the Palais (except for stands located in Rotonde R7).		
CLEANING	The cleaning includes vacuuming the floor, emptying the baskets and dusting the desks and chairs and it is planned for the opening of the show - then every evening. For the stands, be careful not to leave your documents or leaflets on the floor, they might be thrown away by mistake.		
WIFI	Free WIFI is available to all participants everywhere within the exhibition zone during the show days. By this connection you can read emails or use the mobile application for example. However, it is not efficient for the video streaming. If you require an improved bandwidth or multi-connections, we suggest you to order to official supplier Viapass www.viapass.com , info@viapass.com
